

SONITROL PROVIDES THE BEST SECURITY OPTIONS TO FIT YOUR NEEDS.

SMALL BUSINESS • LARGE BUSINESS • CORPORATE OFFICE • MULTI-TENANT

INTEGRATED PROTECTION.

Whether you run a small shop or a booming operation, your business is vulnerable on a variety of fronts. Burglars looking for cash or computer equipment aren't the only threat. Employee theft is a growing issue, and it costs American businesses billions of dollars each year. In the United States alone, more than 5,000 cases of workplace violence are reported every day.

Sonitrol offers an integrated, modular suite of sophisticated security solutions that can help protect your business and your people. Plus, our state-of-the-art technology—including verified audio and video intrusion detection and verified video surveillance—is backed by a team of highly trained professionals at a Sonitrol Central Station.

ACROSS-THE-BOARD EXPERTISE

Many security companies specialize in *one* type of solution, but at SONITROL, we are industry-leading experts in integrated solutions for intrusion, access control, video surveillance and fire detection.

DID YOU KNOW?

- Employee theft averages **\$20 to \$40 billion** in losses.
- Burglary alone accounted for **\$4.7 billion** in losses.
- Businesses are **four times more** likely to be burglarized than homes.
